JS

I, JoAnn Fournier, Esq., aka Judy McGrath hereby swear, under penalty of perjury, that the
Print full name following statements by me are completely true.

#1. Law abiding citizen

I am a law abiding citizen with good morals, and I am fully competent. I understand that all people are equal under the law, and all people are basically good deep down inside. If I ever did commit an offense or break the law, I take full responsibility for my actions.

#2. Honesty

I am an honest person with good morals. I focus on respect, goodness, and obeying the law. I do not lie. Telling lies causes problems. I understand that no drug, chemical, or illness can make anyone lie or have poor morals. All people are accountable for their actions. I fully understand it can be illegal to lie, especially when talking to a policeman, when testifying in court, or when doing business. I understand it is always better to be honest when speaking about things.

#3. Understanding the law

I understand that we have laws in place to protect people, and I know how to obey the law. I make it a point never to harm anyone. I understand that if a person does break the law or cause harm, that person can be arrested and may be sued in court to pay for the damages. I understand we all have *Freedom of Speech*, although we cannot threaten to harm anyone or commit defamation of character.

#4. Not superstitious

I am a law abiding person who does not believe in superstition. I do not base my life on superstitions, nor do I do things because of some superstition or another. I ignore superstition when I come across it. I stick with honesty and goodness, and I obey the law.

Hereby Sworn to, under penalty of perjury,
